About Me

I'm Manasa, pursuing Final year . I'm passionate about exploring new technologies and using creative thinking to solve problems. I enjoy learning and sharing knowledge with others. As the class representative and leader of my community service project, I am dedicated to making a positive impact through teamwork and innovation. I look forward to applying my skills to real-world challenges and staying updated with the latest industry advancements.

Internship

Internship on Python – SriVensy Technologies | 2024

Python Programming Experience:

- Completed a Python course at SriVensy Technologies, where I gained foundational skills in programming concepts and problem-solving techniques.
- Developed a simple Python program that generates personalized sentences based on user input, demonstrating proficiency in string manipulation and user interaction.

Projects

- **Personalized Sentence Generator:** Developed a Python program for creating personalized sentences.
- **Community Service Project:** Surveyed local villages to gather data and support community needs.
- **Portfolio Website:** Created a portfolio using web technologies to showcase projects and skills. [Livelihood](#)

Certificates

- **Udemy:** Completed courses in CSS and HTML.
- **NPTEL:** Successfully completed the course on Computer Vision.
- **GDSC:** Earned a certificate for participation and contribution in Google Developer Student Clubs activities.

Achievements

- **Academic Excellence:** Achieved 1st rank in the 2-1 semester with a percentage of 89.6%.
- **Leadership Role:** Served as the Class Leader (LR)
- **Community Service:** Leader of a survey in local villages to gather data and support community needs.
- **Presentation Skills:** Won awards in PPT presentations and elocutions, receiving numerous certificates in various technologies.
